Note that some products may not work as well without tracking cookies. Refuse cookies Vex 2 is an exciting platform game that tests your abilities and answers. In this game you need to jump, climb and slide using the console in this crazy platformer with a basic however stunningly powerful look. In case you're looking for an easy play platform based web browser game, the exceptionally addictive Vex 2 is the perfect solution! This fast-paced jump-based spine cooler brings the initiator of the game, such as Sonic and Super Mario. By controlling your stick character, you will use the progression of hops, slides and systems to cross each level and explore the different obstacles exposed. This game develops the main obstacle jumping recipe and presents fun treatments such as the divider bouncing, sliding, and inside decorations. Timing is everything and you have to use a combination of lively fingers along with superbly planned hops and moves to explore obstacles. The fun does not stop there, in any case; In different focuses on the whole level, you can initiate different switches that affect the state of the game, such as the repulsive power switch, which makes your bounce higher! Finally, in case you have an innovative side, Vex 2 emphasizes the level of the manufacturer, which allows you to come full circle of your own monstrous manifestations. Vex 2 really is an awesome game and a quick 5-minute kick can without much stretch turn into a 2 hour long-distance race!
